

More Than Cubicles

DECORI/DECORS

Ges Group, grazie alla partnership con Makte Italia, dispone di un'ampia vastità di superfici: dalle più comuni come melaminici e laminati ai prodotti più ricercati e di tendenza, come compacmel plus, riproduzioni naturali, lastre in ceramica di grande formato o vetri dalle altissime prestazioni tecniche. Ges Group lascia completa libertà di progettazione al professionista, proponendo soluzioni completamente custom.

Thanks to its partnership with Makte Italia, Ges Group offers a vast selection of surfaces, from the most common such as melamine and laminates to the most sophisticated, trendy products, such as Compacmel Plus, reproductions of natural materials, large-size ceramic slabs, or types of glass with extremely high technical performances. Ges Group grants the architect complete design freedom, with entirely customized solutions.
